

 The Department of Chemistry at Temple University anticipates a Non Tenure-Track opening for a coordinator of the Organic Chemistry laboratories for the 2016-17 academic year. The appointment is for a minimum of one year. The primary criterion for the appointment is demonstrated teaching excellence. Temple University (<http://www.temple.edu>), located in historic Philadelphia, is part of the Pennsylvania Commonwealth System of Higher Education, and serves over 37,000 students. To apply, please send your curriculum vitae and any supporting materials, including at least three (3) letters of recommendation, and evidence of teaching effectiveness to: **Dr. Daniel R. Strongin, Chair, Department of Chemistry, College of Science and Technology, Temple University, Beury Hall (016-00), 1901 North 13th Street, Philadelphia, PA 19122** or electronically to NTORGO@temple.edu . Review of applications will begin immediately. The Department specifically invites and encourages applications from women and minorities.

Temple University is an equal opportunity, equal access, affirmative action employer committed to achieving a diverse community (AA,EOE,M/F/D/V).
